Bulgarian Journal of Agricultural Science (BJAS)

Bulgarian Journal of Agricultural Science has been selected for coverage in Thomson Reuters products and custom information services. Beginning with Vol.14 (1) 2008, the journal will be indexed in the following:

- Science Citation Index Expanded (also known as Sci Search®)
- Journal Citation Reports / Science Edition.

BJAS is a scientific journal published by the Agricultural Academy in Bulgaria with Editor-in-Chief Prof. Dr. S. Bachvarova and Deputy Editor-in-Chief Iliana Nikolova. The journal includes 6 issues per year.

Scope
The Journal covers basic and applied researches in field of agriculture including Crop Science, Horticultural Science, Animal Science, Genetics, Physiology, Biotechnology, Agricultural Engineering, Agricultural Economy, Food Processing, Veterinary Medicine and other natural sciences connected with agriculture and articles in the field of Sustainable agriculture, environmental protection and Earth Sciences. The Journal publishes full-length paper, short communications and reviews. Papers may originate from Bulgaria and other countries.

Research papers. All work presented should have as it aim the development of agriculture concepts rather than the mere recording of facts. Preliminary, confirmatory or inconclusive work will not be published. Fragmentation of research into the “least publishable unit” is discouraged.

Short communications will be published.

Reviews will be considered for publication. Prospective writers of reviews should first consult the Editor-in-chief and should enclose a short summary of the area they propose to cover.

Procedure for submission
Before preparing papers for journal authors should lead through Guide for Author*, published in first issue in each volume (year) and to consult a current issue to make themselves familiar with general format.

Authors should submit diskettes of revised articles to the editorial office. We prefer Microsoft Word for Windows.

All papers must be written in neat and concise English. Editorial secretariat is accepting paper in Bulgarian language, but authors should pay for translation into English.

Contributions should be sent in two copies plus diskette to the following address:

- A detailed Guide for authors is printed in the first issue to appear each year (see the web page of BJAS).

Acceptance of manuscripts
After the receiving the opinions of the Editorial board expert, the editor-in-chief decides on acceptance of the articles, necessary corrections or revisions. The day the manuscript reaches the Editorial Secretariat for the first time is given upon publication as the date of receipt; the day of the editor-in-chief decision is given as the date of acceptance for printing.

Text
(a) The manuscript should begin with an abstract of not more 250 words or 10% of the paper
(b) The first page should include the title, author’s names and their affiliations
(c) The text should include Introduction, Materials and Methods, Results, Discussion, Conclusion, Acknowledgements (if any) and References

References
(a) The references in the text should be cited as the name of the first author plus “et al.”, followed by the year of publication
(b) The reference list should be in alphabetical order

Tables
(a) The tables should be as simple and as few as feasible for the presentation of the essential data. They should be in Excel program and in separate files, not in the text
(b) Explanations essential to the understanding of the table should be given at the bottom marked in an appropriate way

Electronic manuscripts
Your disk should be submitted to the editorial secretariat or the article should be send by e-mail
The preferred word-processing packages are Word, WINDOWS
